On November 3rd, we start the Men's Golf Club Championship. This is stroke play with handicap. On the last day lunch will be served. There will be closest to the pin each round on Tuesday.

On November 3rd change the start time for Men's golf; 8:30 am check in and 9:00 am tee off.

Golf rule; maximum of 14 golf clubs during a round under Rule 4.1b of the USGA. 14 is the upper limit. You are allowed to carry fewer than 14 and there is no minimum requirement. The rules do not require a specific combination or type of club. You can mix drivers, fairway woods, hybrids, irons, wedges, and putters however you like--or even carry multiple putters or drivers--as long as the total does not exceed 14.

What should NASA do if it wants to explore water on Mars? Send a golfer there to hit a golf ball.
